**Lip Treatment** 15

Exfoliate, plump and hydrate your lips with an enzyme treatment massaged onto the lips, layered with a plumping mask and topped with an ultra hydrating balm.

**Eye Treatment** 25

Smooth and refresh the eye area while visibly reducing the appearance of fine lines and dark circles. Age defying concentrate is massaged around the eyes and topped with refreshing, cool hydrogel treatment mask that give eyes an immediate, visible boost.

**LED Light Therapy** 2 per min

Enhance your facial with the Celluma PRO LED light treatment to reduce inflammation, enhance collagen and elastin production, reduce fine lines & wrinkles and treat acne. (15 minute minimum)

**Epicutis Lipid Recovery Mask** 25

An ultra-concentrated version of Lipid Serum delivered through a bio-cellulose mask, this deeply healing treatment instantly calms and soothes the skin in as little as 10-15 minutes. Thanks to the lipid-like properties of TSC, the serum absorbs quickly—carrying a network of calming nutrients beneath the skin’s surface to soothe redness and fight collagen breakdown at the cellular level.
